PEACE ON EARTH!

We have seen the power of America at War; we know the Power that can bring peace. Desolation may sadden the hearts of those at home while our men and women in the Service carry on with courageous disregard for their own personal safety. But during this Season our hearts and minds converge into a common prayer. With all our fellow workers, whether in Foreign Lands or on home grounds, in the air or on the sea, we join in a fervent prayer for Peace on Earth.
